

MATERNITY Sessions 2023

Navratna Photo Studio

ABOUT US

At Navratna Studio, we take up every assignment seriously and work in delivering creative results! We specialize in portrait photography, candid, landscape, product, modelling portfolio and the list goes on endlessly. We make your special events even more special with our creative and amazing photography that speaks!

We have a decade long experience in photography, cinematography, sound recording, movie making assistance such as direction, special effects, etc. It all depends on what our customers want and we will be on our toes to do it! We are a team of 20 professionally trained individuals to cater to various needs of our customer. Check out our website www.navratnaphoto.com to view our complete portfolio.

We believe photography and videography is a way of feeling, touching and loving people! What has been photographed or videographed stays forever. As life moves on and things get prioritized, the photographs/videographs are the proof that speaks whenever we want to cherish the special moments! That's why we proudly say we **transform moments to memories.**

MATERNITY PHOTOSHOOT

Becoming pregnant is a once in a life time or once in a blue moon moment! We strive to capture those awesome moments which you can cherish for lifetime and can enjoy the same with your kids too! Those awesome kicks inside your baby bump, funny belly of yours which you can smile at once you have a baby in your hand! We believe in creating memories.

What is included in the charges ?

- Creative Artistry of Team Navratna.
- Professionally colour corrected and retouched photos to enhance the photos.
- Brain storming session of poses, location, lighting, props, photography setup, costume, accessories and much more with customer before, during & after the photo session.
- Maternity gowns we use are best in class and customer can have choice of extensive range to choose from as per their needs. We are proud to say that the gowns we offer are designed by professional designers & imported from various parts of the world.
- World class photography through unique props and mindblowing setups.
- Centrally located studio which can be accessed easily. Air conditioned for the mom-to-be to feel at home and natural lighting for awesome photographs!
- We also offer professional makeup & hair style for Mom-to-be.

Do you provide the costumes?

Yes, we do provide maternity gowns for our photography sessions. Customer may wish to use either their gowns or ours. In case, customer is planning to use their costumes, please let us know in advance. Kindly note that the number of costumes as mentioned in the package remains the same, whether the costumes are customers' or ours.

Is it possible to add additional setups or dresses to my package?

Yes. Additional setups can be booked at the extra cost of Rs.1500 per setup & Rs.1500 per Costume.

Do you arrange any professional makeup artist for the photoshoots?

Yes. We do arrange trained and professional makeup artist for the maternity photoshoots on chargeable basis. However it is included in the package cost if the client books Premium, Celebration & Exclusive packages. We mostly use Kryolan products for makeup.

What would be the shoot location?

We shoot indoors as well as outdoors. We do indoor photoshoot at our studio at CG Road, Ahmedabad. We have brought in hand picked, amazing photographic setups in our studio. Customer needs to confirm the setup to be used for the shoot at the time of booking. In case of outdoor photography, customer needs to provide space for photoshoot either in their society garden or private farm. We have Maintained Garden in our Studio.

When do we need to book?

As soon as you decide to do the photoshoot, you can enquire with us and book the photoshoot. Earlier the better as our calendars get blocked up to 2 months in advance.

How do we book our photoshoot?

Once the package is discussed, finalized and have a confirmed date in your mind, customer shall book the photoshoot with us by paying 50% amount of the package as advance. It is not necessary to visit our studio for making the payment. We accept online payment too! Balance 50% to be paid on the date of photoshoot immediately after the photoshoot at the studio/at photoshoot location. The Standard Package must be booked by 100% Advanced Payment.

Can I get bill on my GST Number?

Yes, Your GST Number has to be Provided at the time of Booking. Later on, GST Number cannot be included.

Can we suggest design for the album?

We have a dedicated creative team to design the albums which are made in a story telling sequence! The memories captured will be perfectly depicted in the album which doesn't give an option for customers to suggest any design! The photos are colour corrected and retouched while designing the album. Please note we never change/edit the background of the photos we click.

What's up with the social media?

- Social media is an extended family wherein everyone can connect easily! So we will be uploading our creative artistic photographs on social media! Customers too can upload theirs. But kindly request to tag Navratna Studio in their photos. Because customers are the right person to give credit to our creative hard work!
- We will be more happy if you could check-in in your insta/fb while at our studio for the photoshoot! Because word of the mouth is the powerful reach.

Can I request for extra edited photos?

Yes. It will be chargeable.

1 extra photo: Rs. 500	5 extra photos: Rs. 1500
2 extra photos: Rs. 800	10 extra photos: Rs. 2500

How long do you retain the photos?

We retain the photos up to 2 months. In case if customer loses the photographs after 2 months of photoshoot, we shall be able to provide the same from our data bank (if available with us at that moment) at an additional charge of Rs.3000/-.

Till when is the Raw Data stored by Us?

The Raw Data is kept till 2 Months after the Photoshoot.

Can I bring my own prop or accessories for the photoshoot?

No. We use best, world class props and accessories for our photoshoot which makes our customer awestruck and no second thought of other props/accessories.

Can I reschedule my photoshoot?

Yes, Reschedule can be done before 7 working days from the date your shoot and the rescheduling of the shoot will be done in 15 days, on the available slot.

Do you provide any other deliverables?

We do have options of photo frames, big canvas prints, etc which can be selected by customers at additional cost.

What is your cancellation policy?

We shall not be able to refund the amount in any situation.

I don't want my photographs to be published on your social media?

Social media is our extended family and only way to showcase our creative artistry in photography. Non-usage of customer photos shall incur non-usage fee of Rs.2000 per package.

What if I miss the slot for my photoshoot or come late for the photoshoot?

The package amount have to be paid in full in case if customer misses the slot. If customer comes late for the photoshoot, the photoshoot will be done only for the remaining time left in the photoshoot as per package.

How many photographs can I expect to receive, and how will i receive them ?

We click photographs more than your requirements during the photoshoot. Customers shall select their favourite photos after the photoshoot on the same day (as per the package they have opted). We also have online photo sharing session using which customers shall select the photos and send to us.

How many members are allowed in the Photoshoot or Exclusive Package?

For Maternity photoshoot,for Elite, Premium, Celebration, Exclusive & Grandeur package first child & parents to be can be add in photoshoot. Additional charges shall apply for extra persons. The same also needs to informed prior to us to make necessary arrangements.

Are extra members allowed in the photoshoot?

Yes. Rs. 700 extra per photo & per person minimum 3 photos must be selected from clicked images. (Customer will get selected photos only), if customer want to add whole family in photoshoot, then you can select our Exclusive package. (Maximum 10 persons including kids)

Is your studio safe and do you follow safety protocols?

Our studio is sanitized before and after each photoshoot with hospital grade chemicals which are kid and human friendly. We follow all safety protocols like mask, social distancing, temperature check and hand sanitization. The props and accessories we use are sanitized often.

Are your package price negotiable?

We are professional and creative artistic photography team constantly upgrading our skills and props set to bring world class photography at very affordable cost. So the package cost is not only for the photos we click. But also includes our hard work that goes behind each click in terms of arranging the props, setting up the studio, lighting, etc. Hence the price is non-negotiable.

What is the timeline for album delivery?

- We need a timeline of maximum 15-20 Business days to deliver the edited photos.Once the Photos are Edited, it will take 10-15 Business Days for Album Printing & Delivery(Except for Elite Package). So plan your photoshoot accordingly so that you shall receive the photos/albums on time to cherish the moments happily.
- Customer need to select the photos to be edited within 15 days from the day of the shoot.
- Our customer support team will update once the Album are ready. The Album will get Delivered at your Given Address. (Except for Elite Package)
- For Elite Package: We will inform you when the Album is ready. Once the Message is received, Customer have to collect the Album within 15 Days from our Office.

Do you provide RAW data of the photos?

Yes. We provide RAW data of the photos for all packages except Standard package. If required, we can provide the RAW data at an additional cost of Rs.3000/- per photoshoot if the client has booked standard package.
